

WHAT IS THE KINETON CHRISTMAS TREE TRAIL?

The trail will consist of 300-500 individually decorated and themed Christmas trees sponsored by local businesses, charities and individuals, creating a mapped walking trail all around the village of Kineton and Little Kineton.

This years theme is "HEROES AND HEROINES" - from Martin Luther King to Ghandi, Stephen Hawking to Galileo, Florence Nightingale to Charlotte Bronte, James Bond to Pocahontas, and of course our heroes of 2020 - the list is endless.

Maps will be available to purchase (£2.50) from village shops and the proceeds will be donated to local charities. **Grand switch on 5th December.**

The Tree's

A 5 – 5.5ft Norwegian Spruce tree without stand is available at a cost of £16. Alternatively, a 5 - 5.5ft tree stabilized on a wooden block is available at a cost of £20. All trees will be available to collect on Saturday 21st November giving you plenty of time to create your display for 1st December.

After the event, trees (minus their decorations) will be shredded and the chippings used to improve village footpaths.
